MAXIMA 621

The MAXIMA 621 is ideal for producing identity and membership cards in clubs, associations and small enterprises, or as a back-up unit for larger systems.

- ✓ Cards are inserted and removed from a single access point for your convenience, using the innovative SPA system.
- ✓ Data is accepted from a standard PC keyboard.
- ✓ An 80 column LCD display provides easy reading.
- ✓ Tried and tested production modules ensure years of trouble-free use.
